

HIRE THE CLUB FOR PARTIES AND GATHERINGS

Our sports pavilion is available for hire for your party or gathering.

It's ideal for events of all sorts, providing a fully serviced bar, a kitchen and plenty of space, on 2 levels and outside. It can accommodate sit down meals, afternoon tea, buffets, drinks and parties with music and dancing.

At certain times your events can also include hire of sports facilities, including tennis or squash courts, supervised croquet or even cricket.

Our kitchen is ideal for catering small events, but can also be used by outside caterers, and we have plenty of room for 'food trucks and vendors' outside, which is a popular option. Crockery and cutlery is available for use on payment of a deposit - with deduction in case of breakages/loss.

You can bring your own wine or other drinks on payment of agreed corkage, although of course we encourage use of the bar.

Please note that Dulwich Sports Club is a members' club and the facilities, including the bar, are always available for use by members, so it is **not possible to guarantee exclusive use of the space**.

However, there are times during the day and evenings when there are very few or no members present, and this varies throughout the sports' seasons. Please discuss this in detail with our Club Manager when making your enquiry.

Costs

The cost of hiring our venue depends on the numbers and nature of your event. Members and Charities will receive discounted options.

Access

Our grounds and outside bar space are fully accessible, but unfortunately access to our main pavilion and the bar itself is via one flight of stairs.

**For more information and to enquire about hiring the Dulwich Sports Club pavilion for your next event please contact
